## MIA MARKET IS BACK WITH A BRAND NEW SECTION DEVOTED TO ANIMATION

Italy's most important industry event will be held in Rome  
from 11th to 15th October 2022

Rome, Italy, June 16th 2022- MIA | Mercato Internazionale Audiovisivo, Italy's key audiovisual market is returning in 2022 with a new section entirely devoted to Animation series, Animation stand-alone specials and Animation feature films.

The eighth edition of MIA Market will be held in Rome from 11th to 15th October with an enriched Co-Production Market and Pitching Forum featuring a brand new Animation strand to be added to the pre-existing ones dedicated to : Drama Series, Documentaries (Feature, Series and one-offs) and Films.

With a focus on the European and International film, drama, animation, doc, and factual scenes, MIA offers a wide range of specific programs for the whole industry, featuring dedicated Co-production Market and Pitching Forums, Showcases, tailor-made Networking Activities as well as a lavish line-up of Conferences tackling the latest and hottest topics among industry insiders.

Animation producers looking for high-profile financial partners and co-production deals will have the perfect opportunity to showcase their projects before an audience of industry professionals and top international players from Global Studios, OTT Platforms and Broadcasters, Production and Distribution companies as well as Agents and Financiers.

Our 2022 Co-Production Market and Pitching Forum is open to submissions of all genres and formats, intended for theatrical distribution, television broadcasting and digital streaming.

All the shortlisted producers will be invited to present their projects next October, participating in a five-days of meetings and business networking at MIA's Headquarter in Rome.

*"We are pleased to unveil our new Co-production program which is aimed at all Animation producers. With it, we wish not only to strengthen the figure of animation professionals but also foster b2b exchanges, networking activities and most of all nurture and promote talents in the European industry to facilitate the development of international co-productions".* Said Gaia Tridente,
